In compliance with 37 C.F.R. § 1.821 of the Rules of Practice in Patent Cases: Application Disclosures Containing Nucleotide And/Or Amino Acid Sequences, the following statement is being submitted.

The computer readable form in this application is identical with that on file in Serial No. 08/847,296, filed April 24, 1997. In accordance with 37 C.F.R. § 1.821(e), please use the last-filed computer readable form filed in that application as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the instant application. A paper copy of the Sequence Listing was included in the instant application.

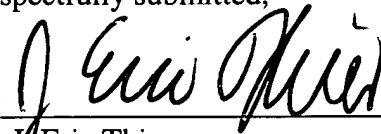

I hereby state that the content of the paper and the computer readable copies of the Sequence Listing, previously submitted in accordance with 37 C.F.R. § 1.821(c) and (e), respectively, are the same.

Submitted herewith is an Information Disclosure Statement with respect to references of record in the parent application Serial No. 08/847,296.

The Applicants respectfully contend that the application is allowable and a favorable response from the Examiner is earnestly solicited.

Respectfully submitted,

By
